

# RAILVEYOR™

Doe Run Company  
Casteel-Buick Mine Tour

## Welcome to the Railveyor Doe Run Tour!

On behalf of Railveyor, we are pleased to have you and your colleagues join us for a tour of the Buick Mine & Mill in Southeastern Missouri. Your team will observe a Railveyor material haulage system in operation, ask questions to Doe Run staff about system installation & performance and get to know the Railveyor team on an individual level. **Please direct further questions to your Railveyor Sales & Marketing contact. See you in Missouri!**

### Tour Schedule:

8:00am - Safety briefing  
8:30am - Cage to underground tour  
12:00pm - Tour concludes, go to lunch  
5:00pm - Dinner in Farmington, MO

**Health & Safety:** At publication time, face masks are not required but no one with symptoms of illness will be allowed on site. Steel toed boots will be provided. Hi-visibility safety vests must be worn at all times and should be brought by the attendee.

**Photo & Video Policy:** Images may be captured by tour groups, but only of Railveyor components. No other components or operations may be captured, except as the background of a group photo.

### Location:

[270 Forest Road 2231](#)  
[Boss, MO 65440](#)  
[United States](#)

**Travel:** It is recommended to arrive in Missouri at least one day in advance of the tour. Departure flights may be scheduled for the evening after the tour or the following morning.

**Commercial Flights:** [St. Louis Lambert International Airport](#) (IATA: STL, ICAO: KSTL, FAA LID: STL) supports all major airlines. *2 hours from the hotel.*

### Private Aircraft:

Both airports have no limitations on aircraft - pilot's discretion. Not 24/7 - contact mgmt for after hours use. Refueling available.
